Go through IIT JAM 2021 Mathematics books to prepare important topics like Linear Algebra, Calculus, Real Analysis, Differential Equations, Differential Calculus, Probability and Statistics, Complex Numbers, etc. IIT JAM Mathematics paper tests the candidate's knowledge in the subject at hand. IISc Bangalore is the organising body of the exam, this year. IIT JAM 2021 is being conducted on February 14. IIT JAM Mathematics paper will be held in Session-II, that is, from 2:30 pm to 5:30 pm on the exam day. IIT JAM Mathematics exam pattern is such that candidates need to attempt NAT questions, MCQs, and MSQs. In the exam, aspirants need to attempt 60 questions in three hours duration. Maximum marks that candidates can secure in JAM 2021 is 100. For IIT JAM preparation aspirants need to have a strategy in place to secure admission in the Mathematics course. As part of this prep strategy, candidates should study from important books and solve as many IIT JAM question papers and mock tests as possible. Candidates can go through important topics that they should study to score well in the IIT JAM exam for Mathematics in the table mentioned below: Sequences and Series of Real Numbers Functions of One Real Variable: Functions of Two or Three Real Variables Integral Calculus Differential Equations Vector Calculus Group Theory Linear Algebra Real Analysis Out of the above-mentioned topics, questions with maximum weightage in IIT JAM are asked from topics like – Sequence and Series, Real Analysis, Calculus, and Linear Algebra.
